

EIMTA Competition 2011

The EIMTA Competition attracts students throughout Eastern Idaho. Each year, fifteen pieces (beginning to advanced) are chosen for this competition. Pieces are selected from a specific musical period. A Sonata/Sonatina Competition will be held in November, 2011. Application deadline is October 1, 2011.

Students playing the same piece compete against each other. They perform for a preliminary judge who writes comments and selects the two best performances of that piece for a Winner's Recital. At the Winner's Recital, three judges listen to the two chosen performers for each piece and award a first and second place. The two Winner's Recitals are each approximately 70 minutes long. Preliminaries for this event will be held on Friday, November 4th and Saturday, November 5th. This year's Winner's Concerts will be held on Saturday, November 5, 2011, at the University Place Auditorium at 12:30p.m. and 2:30 p.m. The University Place Auditorium is located at 1784 Science Center Drive.

*Teachers need to be members of MTNA (\$85 dues).
